Processing Policies

Posting Order: *The order in which withdrawals and deposits are processed.*

We may determine in our discretion the order that we process and post credits, debits, and holds to your account. Typically, all credits are posted to your account first, and then debits are paid in the following order by category:

- Rejected items from the previous day
- ATM and Debit Card transactions (POS)
- Teller cashed items
- ACH items
- All other checks

Items inside each category are paid smallest to largest, with the exception of checks, they are paid in sequential check number order. The order in which transactions are paid can affect the total amount of overdraft fees incurred.

Funds Availability: *When funds deposited to your account are available.*

Funds deposited to your account are generally available the next banking day if your relationship with us is less than 180 days old. However, if your relationship with us is over 180 days old, then funds are generally available the same day. Some deposited items will be available immediately despite how long your relationship has been with us. Those are as follows:

- Cash deposits at the teller line or ATM; and
- Direct deposit; and
- POS Account Credit Transaction; and
- Wire transfers.

If we delay availability from the above referenced timeframes we will notify you at the time you make your deposit. In some situations, for example when you make a deposit at an ATM, we may notify you after your deposit is made that your funds will not be available for up to 7 business days. A "business day" is a non-holiday weekday.

Please refer to our Expedited Funds Availability Disclosure for complete details.

If you have a dispute regarding your account or the service you have received, you should notify your local branch or contact Customer Care toll-free at **877-968-7962**. If we are unable to resolve the dispute to your satisfaction, Woodforest accounts have a binding arbitration provision that provides alternative dispute resolution with an unrelated third party, who will evaluate each of the issues presented and deliver an unbiased decision.
